## Upplands Väsby Part of the Stockholm region

### A meeting point for international business

Upplands Väsby — right in the middle of a powerful market with three million people and with exceptionally good domestic and international communications. We offer you a perfect location for your operations in the Nordic and Baltic Region. The local industry is characterized of a mix of big multinational corporations and smaller niche oriented companies. Approx. 1/3 of the labour force in Väsby is employed in companies with foreign owners. Here you also find the nordic HQ:s for many wellknown companies. In addition to this, Väsby is an attractive place that offers everything you need for your daily life — housing, services, childcare etc. and next door you find a fantastic nature.

### Wellknown companies on site already

The geographical location makes Upplands Väsby unique. This fact and access to cost efficient and modern premises, has influenced many international companies to settle down their Nordic or Swedish head office in here. Some of the most wellknown companies are: **Siemens, Kraft Foods Sverige, Cederroth International, Kodak, Ur & Penn, OnOff, Kia Motors and Honda City.**

Many small companies oriented towards technology and engineering with niche products aimed for an international market have also found the advantages of Upplands Väsby. For example: **Pahléns**, [www.pahlen.com](http://www.pahlen.com). Swimming pool equipment, **Öhlins Racing**, [www.ohlins.com](http://www.ohlins.com). High performance and top quality suspension, **Ragnar Stålskog**, [www.stalskog.se](http://www.stalskog.se). Electrical safety equipment and **Revent International**, [www.revent.se](http://www.revent.se). Ovens for professional bakeries.

In Upplands Väsby you also find several internationally well known retail chains.

### Hotels and conferences

An international hotel, exhibiton- and conference centre, Scandic InfraCity, offers a variety of services for large international events. The smaller Scandic Hotel, is also a very popular hotel- and conference centre. And of course you have close access to a lot of hotels and conference facilities in the region.

## Available land, planned

Even though Väsby is positioned in a big city region, we can offer a variety of land for commercial use. Part of this area is positioned along the motorway E4 where 70.000 cars drive every day. But where ever you are in Upplands Väsby, it takes no more than 10 minutes to get to the motorway.

## Available premises — office, industry, retail and service

Upplands Väsby offers very cost efficient and attractive locations for most companies. You can chose between a location along the motorway or by the railwaystation — it's up to your needs. For retatil chains we offer two major and expanding shopping centres.

There is an ongoing process to develop new industry areas. There will be more to chose from within the next years. Let us show you what is going on.

## Higher education

Being a part of the Stockholm region Upplands Väsby is a part of a strong centre for research and development. Here you find internationally wellknown public universities and many internationally leading companies with high technology products. From here you have close access to all this.

## Workforce availability

The inhabitants in the region have a very high educational level and thus creates a very competnet and flexible labor market. It is easy for people to travel within the region which means that your company easily can find the workforce you need - from ordinary workers to highly skilled professionals.

## Transport and communication

Upplands Väsby is a communications centre for the northern suburbs of Stockholm. The E4 highway and the railway passes through the community and connects us with Stockholm, Stockholm-Arlanda Airport and Uppsala. And of course the rest of the region, the country and the world. As we sometimes say - "Väsby lies 20 minutes from Stockholm and 15 minutes from the rest of the world."

## Housing

In Upplands Väsby you find a great variety of housing – in the central part of the community or next door to nature. This gives you a lot of alternatives to choose from – it's all up to you.
